### Director's view

(from the chamber of director)

It was long cherished desire of the SKILL DEVELOPMENT & EDUCATIONAL SOCIETY (SDES) established a Technical Institute. to benefit the minority and backward communities of Chhotanagpur region . In this hard and competition age with the major problem of unemployment, it was felt to be the most burning need of the time to prepare the present generation confirming to the requirement of the modern time, thus the idea was conceived and after much sweet and toil, the SDES achieved its goal in 2001.

We have gathered speed and are now taking longer strides towards the development of BHARAT INDUSTRIAL TRAINING CENTRE (BITC). supported by a team of officiant and qualified faculty and an excellent and full fledged infrastructure. we have succeeded in making, this institute highly reputable in the state.

We have planned and involved ourselves in creating a community development centre where our faculties is successfully conducting the courses in the field of Engineering under N.C.V.T., D.G.E.&T. ministry of labour & employment Govt. of India. like : **FITTER, ELECTRICIAN** and non ITI short term technical job oriented courses in the field of Engineering.
